

Application Information

Dear Parent/Guardian,

Thank you for your interest in our Site Based 1:1 Mentoring Programs – commonly referred to as our In School Mentoring program and Teen Mentoring program.

A referral from a teacher or other school staff is required for your child to be selected to participate in the program. If you believe this is something your child may benefit from please contact your child's school to determine if (a) they provide this program and (b) if a staff member is willing to make a referral.

If you would like to inquire about which program is the best fit for your child please call our office at 250.563.7410.

Thank you for your interest in the Big Brothers Big Sisters Site Based 1:1 Mentoring Program!
